There are two feed/technical zones on the course. Proper feed zone credentials shall be displayed at all time while in the feed zone. Support personnel should wear clothing identifying their NOC. Both zones are feed and technical zones. Each country will be allocated a box in each feed zone. The boxes will be allocated by the UCI Nation's Ranking used for qualification to these Games. The top ranked country will be allocated the first box as the riders enter the zone. There is Shimano neutral support. Due to the expected heat, water may be poured on the riders.

Transportation to Feed Zone 2 will be provided. The shuttle to Feed Zone 2 will leave from the Team Building at 14:30.

A separate warm up area has been provided and is located on the asphalt road in front of the Team Building.

The top 3 riders are required to immediately proceed through the mixed zone area to the awards tent. Bottled water will be available in the awards tent. After the awards ceremony, the top three riders are required to attend the press conference located in the MTB Laoshan Complex Building.

After finishing, all other riders are required to proceed through the mixed zone. Team Managers may position themselves immediately after the mixed zone.

Communiqué No. 2

GENERAL INFORMATION - REMINDER OF DISPOSITIONS

The confirmation of the riders done on Thursday, August 14th is final; nevertheless the Team Managers will have the opportunity to forward modifications to the Secretary of College of Commissaries until 4:00 PM on the eve of the first race of the competition.

Any rider replacement to a confirmed selection may only come from the list of already registered riders.

Any Team Pursuit modification must be notified to commissaires at least 1 hour before each start.

The wearing of the rigid safety helmet is mandatory for riders at all times when riding on the track surface.

All bicycle measurement checking shall be carried out in the equipment check area before entering the track. Riders must come for bicycle-check at an adequate time before their start. Checking will also be carried out 15 minutes prior to commencing each competition. Commissaires are entitled to double check positions after the race. Should the bicycle or position have been modified in contravention of the regulations, the rider shall be disqualified.

Any rider who considers that he needs to use a bicycle that presented a technical innovation or particularity must inform the Commissaires' Panel to that effect when presenting his licence.

Bicycles or other equipment may not be left in the safety zone of the track. Riders should keep the bicycles and the equipments in their designated teams' area.
